INTARG® is a tool of promotion of innovative products, technologies and services, as well as innovations that already entered the market and commercialization of which has already begun. It is an event of international scope enabling exhibitors to get international references, medals and awards for presented inventions. Moreover, exhibitors have an opportunity to not only present their inventions, but also to take part in different conferences, workshops and business meetings. Official exhibition program also includes special attractions like concerts, networking cocktail party and sightseeing tours.

The 16th edition of INTARG® will be particularly festive and will feature many accompanying events: industry sessions, conferences, shows, business meetings; networking cocktail. The Final Gala of the Show will present the results of the INTARG® 2023 Competition, as well as: XXI edition of the INNOVATION LEADER® competition.
