### ◆ Exhibitor's & Visitor's Comments from the Previous Shows (excerpts)

#### [ Exhibitor's Comments ]

##### TRAVEL MALL (Switzerland)

This was our first time to participate in the show and we had more than 100 visitors coming to our booth. They were looking for serious business which is fantastic. We already signed for a bigger booth for next year.

##### LOVINFLAME (Taiwan)

We've had major retailers and top designers reaching out to us. I think the show has excellent branding and it is a great way to kick off business into Japan. Show Management was very supportive from the beginning.

#### [ Visitor's Comments ]

##### MoMA - THE MUSEUM OF MODERN ART NEW YORK (USA)

You see so much person to person, business to business happening between retailers and manufacturers. You can feel the energy in the air that there is a lot happening at the show.

##### KINOKUNIYA COMPANY (Japan)

The purpose of visiting the show was to source stationery and gift products that we can place at our bookstores. The show gives us a great opportunity to meet many potential business partners all in the same venue.

# Extensive Services Maximise Your Results

## Japan's Leading B-to-B Trade Show!

- Table & Kitchenware Expo is the biggest “B-to-B” exhibition specialised in this industry in Japan.
- Key persons from hotels and restaurants visit the show for sourcing professional cooking utensils, decorating items, etc.
- The Japanese market is very stable. Many buyers are looking for fashionable, functional and high design tableware and kitchenware from all over the world.

# Health & Beauty Goods Expo

## The Best Platform to Expand Your Business

- Japan has one of the highest health & beauty consumption in the world (around USD 1,400 per family) in 2018. Especially the growth of the market for beauty tools (beauty appliances and make-up tools) contributes to this number.
- The demand for this industry, especially for healthcare products is increasing because the government puts emphasis on the citizens' healthcare in their policy.

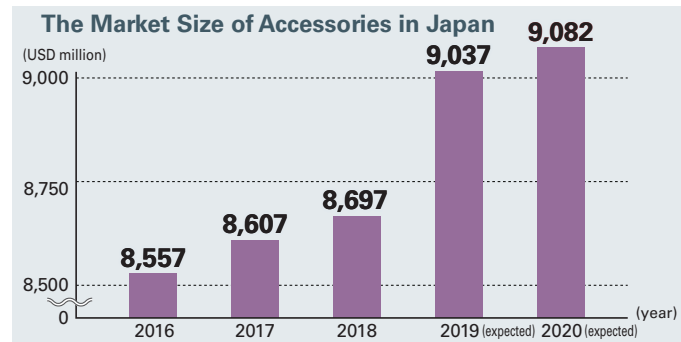

# Fashion Goods & Accessories Expo

## Gathers a Huge Variety of Fashion Goods & Accessories

- In Japan, fashion goods and accessories are sold not only at apparel shops and department stores, but also at variety shops and lifestyle shops. The show will help you to meet all the buyers at once.
- Many brand holders conduct OEM/ODM production outside of Japan. International exhibitors who have OEM production services have big opportunities to meet them and conduct new business.

# Baby & Kids Expo

## Japan's Largest\* "B-to-B" Exhibition for Baby & Kids Items

- Even with the decreasing number of births, the Japanese market is very stable. Trends such as "6 Pockets", "Safety", "Functional" and "Online Shopping (changes in business route)" are the key to success.
- The market of baby items (nursing products, educative toys, clothes, etc.) is huge - more than USD 1,000 million.

\*"largest" in reference to the exhibitor number of trade shows with the same concept.

# Good Foods Expo

## Expand Your Business in the Attractive Market!

- The market size of food & beverage gifts is massive in Japan (around USD 40,000 million/year) and growing year by year. Foods & beverages are often the first choice of gifts for friends, families and themselves.
- Food & beverage products, especially for gifts, are sold not only in special stores but also in lifestyle stores and department stores. You can expect to meet your potential customers because of the synergy effect of LIFESTYLE Week.

# Sustainable Goods Expo

## We launched a new trendy exhibition "Sustainable Goods Expo" in LIFESTYLE Week.

- "Sustainable" consumption is expanding to all over the consuming products industry.
- Many major Japanese retailers noticed the trend and set "Sustainable" segment in their stores.
- The market of "Sustainable" will be the attractive, the volume will be USD 12 trillion per year which will be equivalent of 10% of worldwide GDP.
